Circumcision fee

If you desire a circumcision for your baby boy, you may schedule an appointment with Dr. Tsuang or Dr. Price, here in our office. The procedure needs to be done within 14 days of your delivery.

Not all insurance companies cover circumcisions. They may be considered cosmetic and not medically necessary. If you desire this for your baby, it is your responsibility to verify coverage with your insurance company. If this is not something that your insurance plan covers, the physician fee is \$350.00. Payment needs to be paid in cash or credit card before the procedure will be done.

If you have any questions, please give our office a call at 425-899-5000.
